

Please, please, PLEASE do NOT weaken New Jersey's Do Not Call List. I love not having to take unsolicited sales calls. If there is something I need, I reach for the Yellow Pages or search online for phone numbers-having people call me about stuff or services I don't need or want isn't necessary and very annoying. I love not having to be rude to salespeople, and I love the fact that it's quiet when I get home. It's also better for my husband when he has to work the night shift and thus sleeps during the day-he's not disturbed by the phone ringing and sales pitches. Please leave NJ's Do Not Call List the way it is.
